- [Sound Cloud Link for Kābin's Independent Work](#)
- [Instagram Profile of Kābin](#)

### Education

**Graphic Design Diploma:** High School Graduate class of 2004 — Tehran, Iran

**Academic Music Study:** Affiliate program with Voronezh State Academy of Arts (Russia) — Tehran branch (Music Theory & Performance)

*Note:* Program closed prior to completion due to political suppression of arts education in Iran.

### Professional Experience

#### Founder / Lead Arranger — Chaartaar Ensemble, 2009 – 2021

- Principal arranger and musical architect for one of Iran's most innovative contemporary ensembles.
- Developed sonic structures blending Persian vocal traditions with electronic, rock, and modal systems.
- Led international touring across Europe and Canada.
- Collaborated with vocalists and instrumentalists to produce large-scale performances and recordings.

# Curriculum Vitae

## Solo Practice — Kābin, 2021 – Present

- Independent composer and producer working at the intersection of sound art, electronic composition, and interdisciplinary audiovisual work.
- Compositions characterized by sustained tension, texture, and structural patience.
- Ongoing sound-based research and studio production.
- Providing artistic direction and conceptual framework for Kābin video works, realized in collaboration with filmmakers and visual artists.
